Accent your home with light

This Philips myLiving Star LED spot speaks of timeless elegance with its chrome leg and powdered black paint body. With this Philips LED dimmable spot, you can smoothly dim to the right light level – from bright functional for everyday tasks, to a soft light for relaxed time.

Sustainable light solutions

- Compatible with in-wall dimmers
- High quality LED light

Advanced LED light

- Warm white light

Special characteristics

- Adjustable spot head

Lighting for your convenience and peace of mind

- Lamp lifetime for up to 30 years of use
- 5-year warranty for peace of mind

Highlights

Compatible with in-wall dimmers

Adjust the brightness of this Philips light with an in-wall dimmer (not included) to set the mood in the room, highlight a feature of your home and more.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

This light uses the very latest lighting technology by Philips with the new warm white state-of-the-art high power LEDs providing a glow of light with a colour temperature of 2700 Kelvin.

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Lifetime for up to 30 years

LED lights last longer, avoiding the hassle of frequent light source replacement. This significantly reduces waste, but also saves you money in the long term.

5-year warranty

All our spot lights are built to last. They come with a full 5-year warranty on the complete product, ensuring you will enjoy long-lasting quality lighting every day.
